## Catamounts Fall Baseball

Catamounts Baseball is pleased to announce that we will be offering a high school fall program in 2020. The goal of our organization is to continue to elevate the game of baseball in Colorado Springs. One way we accomplish that goal is by providing a development focused fall opportunity for players. The program will run August to October and players will practice 2-3 times per week. Practices will take place at Mountain Lion Field, a beautiful complex just below Pulpit Rock in Colorado Springs. Practices are run by Catamount coaches, UCCS coaches and players. The teams are open to any high school aged player in Colorado Springs and the plan is to have an upperclass team (class of 2021 & 2022) and underclass team (class of 2023 & 2024).

### Potential Tournament Schedule:

- The underclass team will primarily play in local events, individual games, doubleheaders, and practices.
- The upperclass team will play in some local events, but will also travel to a couple of out of state events to provide exposure for players who hope to play at the collegiate level.

### Cost:

\$1200 per player which includes uniforms, coaches, field rental, fees, umpires, etc. Travel arrangements for tournaments will be up to each family. Each player will also need a pair of white and a pair of gray game pants.

### Tryout Information:

Date: August 4, 2020

Time: 4:00-5:30 pm: Class of 2021 and 2022 (upperclass team)

5:30-7:00 pm: Class of 2023 and 2024 (underclass team)

Location: UCCS Baseball Field, 660 North Campus Heights, Colorado Springs, CO 80918 (Off of North Nevada Avenue)

Players should bring their own equipment (gloves, non-metal cleats, bats, etc)

### Tryout Registration:
